### About This Game

Puss in Boots: Fear Not Hooman is a challenging action adventure game that gathers many mythical and fairy tale elements from different cultures into an original story.

The legendary Puss in Boots have to go through the worst to save his hooman. Anansi tricks Puss into retrieving Mjolnir, the most fearsome and powerful weapon in existence from Land of the Dead. Now, you too can be part of the fairy world!

- Enjoy beautiful handcrafted pixel art
- Join Puss through 7 levels with 5 different gameplay mechanics on his journey
- Experience 8-bit versions of the most popular classical pieces
